Change Your Image, Change Your Life

Are you ready to re-invent yourself in a safe environment of like-minded women? How about taking your image to the next level with encouragement from fellow women? Would you love to have a former high-fashion runway and photo model look at your current wardrobe and show you how to transform it? Maybe you'd like to look 10 years younger and 10 pounds slimmer? You can do all this and more at Sandy Dumont's STILETTO CAMP.

This workshop is designed to transform your appearance from head to toe, so that when you enter a room, heads turn. Just ask the grads of Sandy's Stiletto Camp! Your image will be a "10" for every occasion, no matter how casual or how formal the occasion. If you would like to own the room, I will show you how to make it possible. If you would like to command immediate credibility and respect, I'll show you how. If you want to wow the opposite sex, I'll give you the magic formula. The way you look and dress defines who you are not only to others, but to the person in the mirror when you leave the house each morning. You're going to love the new you, and when you walk out the door, you'll know you can conquer the world!

What participants have to say:

"I was very empowered and energized by your boot camp last month. I revamped my wardrobe with a few new key pieces and have continued to get positive feedback; and I sense an attitude shift both in myself and in others towards me. It seems there's no limit to where a makeover can lead, and I've been summoned to the corporate headquarters for a fabulous promotion possibility, after rounds of interviews regionally. [Mary Ann got the position!]

Mary Ann Malloy, Virginia Beach, Virginia

"Such a great adventure! Whirlwind of info, but ample time for clarification and individual concerns addressed. Loved having a second day to come back within a safe group to shine in new colors. Our gift certainly is knowing the perfect thing to do to make others feel special."

JoDee Cook, Norfolk, Virginia

"Sandy, thanks for showing us the beauty that lies within. Your personal touch has inspired me to always look my best. Thanks for allowing me to become my personal best."

Janine Sarti, San Diego, California

"Wow, what fun. This was a wonderful experience, and I would encourage every woman to do this for herself. I now enjoy shopping with my newfound education. Thanks!"

Darlene Branch, Chesapeake, Virginia

"You are so incredibly good. I feel like a new woman. Sure enough, when I wore the outfit you insisted I get, people did turn around and look. I'm getting booked to speak more now, too – and I have increased credibility with my audiences."

Pat Farrell, Wytheville, Virginia
